**MOTORIST SHOULD WATCH
OTHER DRIVERS AS
WELL AS THEM-
SELVES.**

First, assume that you must look out for yourself and the other fellow, too. Don't rely wholly on the other fellow doing

the right thing, and you'll be on your guard if he does the wrong thing and ready for the emergency.

Never back or swing from the curb into the street without looking back to see if the way is clear.

Glance both ways on each cross street, and if you're not on the main thoroughfare slow down before you cross. It's safest to drive slowly enough to have the car well under control where buildings hide the intersecting streets.

Do not cut the corners in turning, but keep well to your side of the street and look both ways before you make the turn.

Put out a hand as a guide to the car following or approaching.

In passing a slower moving vehicle pass it on your left, but in passing a street car always keep to the right.

Do not follow another vehicle too closely. It might stop suddenly.

Stop when the street car ahead of you stops and stand still till all passengers getting off are out of the street. In most cities this is required by ordinance.

Dim your lights when approaching another auto on the road.

Use common sense at all times and you'll save trouble for your self and the other fellow.

KENTUCKY PRESS ASSOCIATION

ANNOUNCEMENTS

We are authorized to announce
R. L. McFERRON

as a candidate for Representative from
the Eighty First Legislative district,
composed of Rockcastle and Laurel
Counties, subject to the action of the
Republican party at its primary election
on August 2, 1919.

We are in the home stretch
of the August Primary. The
various candidates, with whip
and spur in constant use, are
galloping with break-neck speed
toward Election Day. Each of
the gubernatorial entries and
their campaign managers are
appealing to the voters to quit
the field, the shop, the office,
the store and his way to the
election booth on August 2nd.
The hope of Judge Carroll is in
the city vote, while the success
of Governor Black depends largely
upon the country fellow being
wide awake at the polls. If
the cities furnish the vote,
Judge Carroll will be the nomi-
nee. But with a certain inde-
pendent, decent Democratic vote
in the cities for Governor Black,
accompanied with a substantial
vote in the country, he will win.
To nominate Governor Black
every man from the country
must be on guard. No voter
must fail to cast his ballot; rather
he should be up at the first red
streak of dawn on August 2nd,
ready, willing and anxious to get
to the election booth and see
that every one of his neighbors
does likewise.

Governor Black has waged a

clean campaign, free from abuse
or undue criticism of his oppo-
nent. He belongs to no faction.
ruled by no boss nor does he
represent any social interest.
Governor Black belongs to the
plain, common folks of Kentucky.
They admire and trust him.
He has shown himself to be a
high class candidate, will prove
an attractive nominee and make a
Governor of whom all true and
loyal Kentuckians can be justly
proud. He will storm the citadel
of the Republican Ticket chosen
by Louisville and Covington
political bosses. No apocryphal
have to be offered for Governor
Black on the stump. We can
follow him with pride and hea-
him with pleasure.

As our nominee he can bring
cheer to our hearts, awaken us to
a great battle and with the spirit
of success and confidence ringing
in every utterance, he will lead
us to a glorious victory in No-
vember.
So, boys, coats off, sleeves
rolled to the arm pits and with a
determination to get every vote,
say to Sallie Ann, Good bye, take
care of yourself and the children,
for I am gone to shake the politi-
cal bushes; to stir up the briar
patches; to get out the voters;
to serve my country and help
elect our own Jim Black Gover-
nor of Kentucky. Sallie Ann,
you can depend upon it that I
will come back to you and the
babies on Saturday night, Aug-
ust 2nd, at 9 o'clock, for by that
hour the battle will have been
finished and the result announced.
So until then good bye, and God
bless and be with you and ours.

We do not hesitate to say
that it would be wise for the
Democrats to vote for W. H.
Shanks for Lieutenant Governor,
Dr. J. P. W. Brouse for Audi-
tor, and Ryland C. Musick for
Attorney General. Their loca-
tion is good. They are sober
and efficient men and would ad-
vantage to the ticket in Novem-
ber.

ESTIMATES BY CAMPAIGN

MANAGERS.

The campaign managers for
the gubernatorial candidates gave
their estimates Sunday. Haynes

Carter for Governor Black
claims that he will carry every
district but the sixth, not even
giving Carroll his own seventh
district. Black will carry the
first by 1,500, second, 3,500,
third, 4,000, fourth, 4,500, fifth
1,500, seventh 1,000, eighth 4,000,
ninth 5,000, tenth 6,000, eleventh
5,200. Judge Carroll will carry
the sixth district by 3,500 to
4,000.

Miles M. Logan for Judge Car-
roll, claims the first by 1,500, the
second by 2,500, either candidate
may carry the third. Carroll
will carry the fourth by 1,000,
the fifth by at least 5,000, prob-
ably 10,000, the sixth by not less
than 6,000, the seventh by 5,000
the situation in the eighth is
somewhat complicated and the
majority will be small either way.
He will carry the ninth in his
estimation but the result is in
doubt. The tenth and eleventh
are conceded to Black by a com-
bined majority of 5,000. Right
now, he says that Carroll has his
race won by 15,000 and he is
steadily growing in favor.

This is a wide divergence of
opinion, and the reader can take
his choice without costing him a
cent.

LOSS OF APPETITE.

As a general rule there is noth-
ing serious about a loss of ap-
petite, and if you skip a meal or
eat two meals a day for a few
days you will soon have a re-
fresh for your meals when meal time
comes. Bear in mind that at
least five hours should elapse be-
tween meals so as to give the
stomach ample time to digest and
the stomach a period of rest be-
fore a second meal is taken.
Then if you eat no more than
you crave and take a reasonable
amount of outdoor exercise every
day you will not need to worry
about your appetite. When the
loss of appetite is caused by
constipation as is often the case,
that should be corrected at once.
A dose of Chamberlain's Tablets
will do it.

PERSONAL

Mr. and Mrs. W. G. McBees spent Sunday in Stanford.

Richard Mullins is home from France with his wife and baby.

Joe Childress, of Louisville, is visiting his sister, Mrs. Minnie Anderson.

Miss Virginia Simpson, of Nashville, is visiting her cousin, Miss Maude Adams.

Mrs. H. R. Bradbury, of California, is visiting her son, Chas. F. Bradbury and family.

Mr. and Mrs. Bennett Barnett, of Wilton, have been with relatives here during the week.

Miss Kathleen Walter, daughter of Dr. B. F. Walter, is the guest of Miss Risse Williams.

Miss Bertie Jean Penny, of Stanford, was the guest of Miss Fan Sparks for the week end.

Wm. French, prominent farmer of the Brodhead section, was here yesterday and tells us his son, Rolla, who has been overseas about a year returned home Sunday.

Fred Shearer, Sam McMullin, Lee Norton, Charley B. Niceley, Albert Owens and Fred Baker are some of our boys who have recently arrived from service with Uncle Sam overseas.

James Arthur Franklin, who was wounded twice in France and has been in U. S. Army hospital for several months, is home for a 30 days stay with his mother, Mrs. Ella Franklin, near Wildie. He is improving and it is hoped he will soon be well again.

Capt. Jake Bethurum who is just back from France, was here last week for a short visit to Mt. Vernon relatives. The record made by Capt. Bethurum during the past four years has been a most enviable one, going from a Second Lieutenant to a Captaincy. Capt. Bethurum likes army life and will continue in the service, with headquarters at Camp Funston.

Mrs. Emiline Oliverson, of Kansas, who was a Miss Baker before her marriage, is here this week accompanied by her two daughters, on a visit to Rockcastle relatives and also to visit the old birth place near the mouth of Skeggs Creek. Mrs. Oliverson left this county when seven years old, has never been back and is now seventy years of age. She is a cousin of our citizens, John and A. Renner and also J. J. Baker, of Cedarville. Mrs. Oliverson has kept track of her Kentucky relatives and there are very few things connected with their lives of any importance of which she does not know about.

LOCAL

Curt Jett will preach at the Court house tonight at 8:30.

Tomorrow is clean up day at Fair grounds. The fair belongs to you as much as anyone else, therefore help make it a success. The prospect for a good fair have never been equal to the 1919 outlook.

The Rockcastle Dixie Highway Commission will meet with the citizens of Livingston Monday evening relative to the Dixie Highway through Livingston. This is an important meeting and the citizens of Livingston should attend it.

A small child of Mr. and Mrs. Will Dooley, and grand child of Ike Dooley died at their home in Jeffersonville, Ind. The remains were brought here last night and taken to the home of Mr. and Mrs. G. T. Johnson until to-day where the burial will take place at the Maret cemetery.

Riding Pants and Leggings for young men at Fish's.

Bryant Bros will begin work on their new garage next Monday.

Don't forget the special display of fine tailoring samples to be shown at Fish's—one day only, Friday, Aug. 8th

Mr. and Mrs. Ivan Roberts are rejoicing over the arrival of a fine girl at their home yesterday. Mother and babe doing well.

When you are in doubt about Clothing, Hats, Shoes or Furnishings, there's only one thing you need to know. It's Fish's that's eruf.

Albert Ramsey, Charley Metcalf and Ernest Woods, the Rockcastle boys who have seen service in Northern Russia, are all home with some wonderful experiences in that cold country.

Jim Bullock has sold his farm near Level Green and says he will locate in some section where there are better roads. Mr. Bullock is a mighty good citizen and we certainly hope he decides to remain in Rockcastle.

If you want to see the finest lot of Soldiers and Sailors that ever wore a uniform come to the Mt. Vernon Fair and see our own boys. They are all coming and you want to see them, they want to see you.

Don't forget that Friday the last day of the Mt. Vernon Fair will be Soldier, Sailor and Marine day. The boys have been to war and the folks want to see them all together this day. The uniform is all it takes to get by the gate man that day.

The Mt. Vernon Fair catalogues are ready and the Brodhead Fair catalogues will be ready Monday. If you do not get one promptly advise the Secretary, Chas. C. Davis Mt. Vernon or Granville Owens, Brodhead who will be glad to mail you one of his respective fair.

The blackberry crop is sure a bumper in Rockcastle. When Gott, the Goose-hair man advertised for 200,000 gallons it looked like a joke, but the final figures will show that not only 200,000 gallon have gone out from the various points of the county, but that the number will be nearer 600,000.

The Mt. Vernon Fair will be a thing of the past for 1919 just three weeks from this day. If you are not ready, get ready. Don't worry about the other fellow showing a finer cow, horse or pig than you, but get busy and shine up yours and get the blue. The premiums are better than ever before and indications point to the biggest attendance ever known. Remember one day has been set aside as Soldiers and Sailors day. Tell your soldier boy friends of this, the uniform is all it takes to get in.

Mrs. T. G. Reynolds, who was Miss Nettie Coffey, a sister of Joe and Sanford Coffey died suddenly yesterday at her home near Wildie. Mr. and Mrs. Reynolds had gone to a field near the house to pick a few berries. In a short time Mr. Reynolds lost sight of Mrs. Reynolds and thought she had gone to the house. Soon he followed on and failing to find her returned to the berry field where he last saw her, only to find her dead. Mrs. Reynolds was apparently in the best of health when she left the house, and her sudden taking away comes as a great shock to her family and friends. The burial will take place this afternoon at the Maret grave yard.

Rockcastle Stock Pens had only a small amount of stock on hand Monday and few buyers. Every one acquainted with the conditions readily understands why. The seasons shortage of grass and water has lessened the demand and those who had stock to sell are waiting for better conditions. J. M. Craig who was here from Lancaster said they were burning up in his county. The pastures are not only gone but they do not even have stock water. This tells why there is no demand. Again July is one of the poorest months in the year. This condition exists at the very best centers August will see improvement September ought to be a hummer.

For a good old rollicking time, GO to the Brodhead Fair. August 20, 21, 22.

The Brodhead Fair management knows how to make it pleasant for every one. Gist like going home. Aug. 20, 21 and 22.

FOR SALE:—A good five room dwelling, good garden, lot well fenced, good cellar and all necessary out buildings. This property is located near the end of Newcomb street, is a desirable piece of property and can be bought worth the money. For further information see Elmer Perciful, or write me at Twila, Ky.

MRS. JOSIE PERCIFUL.

There will be on display at Fish's Cash Store one day only—Friday August 8th the Fall line of woollens from one of the leading tailoring concerns of Chicago. These samples will be something like a yard square or larger and will give you an idea of how the suit would look made up. You are invited to come in look these large samples over and if you find something you like for your new Fall suit, overcoat or odd trousers, Fish's will guarantee the fit.

Mrs. Emmett Bowder died at 7 o'clock Wednesday after an illness which has lasted nearly two years. Mrs. Bowder has been suffering from pellagra for the past two years, but her condition was not so serious until after the death of their ten year old daughter about two months ago. Since then there has been a rapid decline in her health. Besides her husband three children, an aged father and mother and several brothers and sisters survive. The burial took place at the Freedom burying ground.

Mt. Vernon, Ky.

July 21, 1919.

Notice is hereby given that a motion will be made on the 3rd Monday of August, 1919, before Hon. Cam Mullins, Judge of the Rockcastle County Court to cause all gates to be removed from that portion of the public road leading from the Sarah Peters residence to Clear Creek at the old Durham Mill place. This July 21, 1919.

Chas. F. Bradbury, County Road Engineer.

Miss Minerva Payne, daughter of Mr. and Mrs. Milt Payne, age 18 years, died Monday after an illness of several weeks of typhoid. The deceased had had what was considered a mild case of typhoid and was getting along apparently as well as could be expected. The doctor had told her she could sit up on Tuesday. On Saturday her nose began bleeding and every thing known to medical science was tried to stop the flow but everything proved of no avail. Dr. Pennington, the noted surgeon from London was called in consultation with Dr. Walker Owens and for a whole night he labored without stopping to save the young life. The burial took place near Hopewell on Tuesday.

SUCCESSFUL SALE.

The sale for the W. J. Sparks Co., by Hughes & McCarty, the Stanford Real Estate dealers was held yesterday and same was pronounced a success. The entire farm sold and brought a better price than was figured it would bring. W. A. McKenzie, C. D. Sutton and Rev. H. T. Young bought what was known as the Langford or quarry farm, 296 acres, for which they paid \$11,692.00. R. M. Sharp, of Casey County bought the B. G. Mulling farm 324 acres for \$5,215. Aden Owens got 14 acres at \$76.50 an acre and Geo and Jim Smith bought the rest for \$900. A part of the stock and machinery sold but the larger part of it did not. Messrs. Hughes & McCarty and the W. J. Sparks Co. as well were pleased with the result. Col. John B. Dinwiddie the celebrated auctioneer from Lincoln was on the block and got all there was coming for what sold. This land is located on the Dixie Highway, is valuable property and not a part of it can be bought today for anything like the price it sold for yesterday. The W. J. Sparks Co. retained about 75 acres around the quarry. The Evans tract which was advertised was not sold.

If you consider style, quality and workmanship in clothes, Fish's have the clothes for you.

J. W. Rider has already begun work on a garage just back of the Rockcastle hotel. The building will be brick and will have 6000 square feet of space.

FORSALE.

One pair work mules age 6 and 7. Will sell worth the money. Telephone or write,

C. G. METCALF, Ottawa, Ky.

NOTICE.

J. P. E. DRUMMOND, July 15th, 1919.

The last day—Friday Aug. 15th, of the Mt. Vernon Fair has been set aside as Soldiers and Sailors Day and every soldier, sailor or marine who has seen enough of Uncle Sam to be given a uniform will be admitted to the grounds that day FREE of charge. The only provision is that they wear the full uniform and take a part in the big parade in the afternoon. This offer applies to any and all who have been in the service regardless of what state they may live in, provided the uniform is worn. Things will be turned over to the boys that day and a good old fashioned home-coming spirit will prevail.

Little interest is being taken in keeping the cemeteries in our county in trim. Possibly the two that are best kept are the Brodhead cemetery and the Maret cemetery near Wildie. None would object to being laid away at either of these places when the final summons comes, but few of us would designate any of the others as a final resting place on account of bushes and briars being so thick. If our loved ones who are sleeping at any of these other than the two mentioned should awake and look about they would certainly be ashamed of us not keeping things in better order. This paper is ready to print announcements that the folks will meet at any or all of these cemeteries and clean up. If some of those interested will set the day we will let the people know.

SUMMER COMPLAINT IN CHILDREN.

There is not anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of

every hundred cases recover. Mr. W. G. Campbell, of Butler, Tenn., says, "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for purpose."

Delicate Mechanism

Despite its scope Swift & Company is a business of infinite details, requiring infinite attention.

Experienced men must know livestock buying with a knowledge of weight, price, the amount and quality of meat the live animals will yield.

Each manufacturing operation must be done with expert skill and scientific precision. A highly perishable product must be handled with speed and care to avoid loss.

Chemists, engineers, accountants, and other specialists are required to take care of our intricate problems.

Alert wisdom and judgment must be used in getting stocks of goods into the open channels of demand through our four hundred branch houses. Branch house organizations must show activity and energy to sell at the market in the face of acute competition from other large packers, and hundreds of small ones.

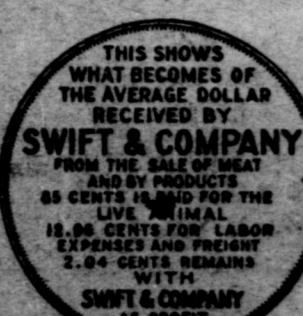

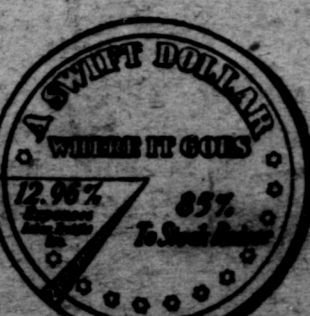

All these requirements of intelligence, loyalty, devotion to the task, are met in the personnel of Swift & Company. Yet the profit is only a fraction of a cent per pound with costs at minimum.

How can the workings of this delicate human mechanism be improved upon?

Do you believe that Government direction would add to our efficiency or improve the service rendered the producer and consumer?

Let us send you a Swift "Dollar". It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard
